For the effects of concluding the current insurance contract, the Member/Policyholder and the Insured Person(s), declare that:

1. We have been informed of the conditions of the insurance contract and all the necessary and legally required clarifications have been provided and declare having received for this effect the annex to this proposal: Document of information about the insurance product and the General and Special Conditions.
2. The risk that we intend to insure against was not covered, totally or partially, by any contract relative to which there is a premium, instalment of a premium or other amount in debt.
3. The omissions, inaccuracies or forgery, whether regarding the compulsory data or the optional data, are of the Member/Policyholder's responsibility and that of the Insured Person(s).
4. We authorise that the information relative to the statement of benefits, containing information relative to the provider, date of the medical act and value of the expenses incurred, should be provided directly to the Insurance Policyholder.
5. In the Insurance contracts with a term equal or longer than six months, the singular Policyholder has the right to terminate the contract, without the need to invoke a just cause, within thirty days after the reception of the policy.
6. The provisions in the previous number are not applicable to group insurance.

The Member/Policyholder and the Insured Person(s) are also aware that:

7. The acceptance of the Insurance, regarding each Insured Person, is dependent on the analysis of the respective Individual Health Questionnaire, and the Insurance may be considered as having been accepted if, within a maximum of 14 days from the date of the Insurance Company's Medical Subscription Services' receipt of the Application Form and respective Individual Health Questionnaire, it does not inform the Insured Person of the non-acceptance of the proposed risk or the need to obtain additional elements for its assessment.
8. The analysis of the Individual Health Questionnaire and remaining factors that characterize the proposed risk, condition its acceptance by the Insurance Company or the terms under which it may take place.
9. In the case of a transfer of risk previously covered by another insurance contract, particular exclusions and grace periods for new coverage and the difference of capital, compared with the previous insurance policy, will be applied, with exception of Birth coverage subject to the grace period provided in the General Conditions of the policy, which is 365 days. The particular exclusions and preexistence will be considered on the basis of existing clinical information, that is, in the Particular Conditions / Individual Certificates in force at the date of transfer. In the absence of referred information the subscription will be based on a medical questionnaire which is needed to be filled and reported upon an acquisition of the Médis insurance. The preexistences will be reported on the date that the medical questionnaire that supports a subscription of this insurance is filled.
10. In case of any change of the policy's conditions, grace periods will be applied to the new coverages and to the difference of capital in excess of the previous option. Pre-existing conditions and particular exclusions will be considered based on the existing clinical information (medical questionnaire, Specific Conditions/Individual Certificate and additional information arising from the insurance utilization) for the new coverages or for the difference of capital in excess of the previous option.
11. Under the legal terms, after acceptance of this application form the risk cover is only effective once the owed premium - or instalments of it - is paid.
12. The guaranteed instalments that are stated in this Application Form exclusively refer to each year of the contract's lifetime.
